

# SAVE THE DATE

NATIONAL INSTITUTES OF HEALTH

**NOVEMBER 24, 2020**

## TAKE A VIRTUAL LOOK AT THE NIH

**The National Institutes of Health (NIH)** carries out and funds biomedical research in an effort to prevent and cure common and rare diseases.

We also help train the next generation of doctors, researchers, and medical support staff who will improve human health in the future both across the country and around the world.

**The NIH Virtual Community College Day** will provide community college students and faculty an opportunity to learn about careers and training opportunities in biomedical and health care fields.

Registration will open October 1, 2020:

<https://www.training.nih.gov>

For any further questions please e-mail Erika Barr at [Erika.barr@nih.gov](mailto:Erika.barr@nih.gov).
