

CCSEP

Community College Summer
Enrichment Program

**APPLICATION DEADLINE:
JANUARY 15, 2015**

TAKE A LOOK AT THE NIH

The National Institutes of Health (NIH) carries out and funds biomedical research in an effort to prevent and cure common and rare diseases.

Community College Summer Enrichment Program will provide community college students an opportunity to:

- Perform full time research in a laboratory or on a project at the NIH
- Participate in workshops and courses focused on development of academic and professional skills in preparation for careers in biomedical or healthcare fields.
