May 6, 2020	<i>Filling Out the AMCAS (workshop)</i>	Bethesda (and NIH Videocast)
April to June	<i>OITE review of FINAL DRAFT of Personal Statement</i>	Appointment via OITE website
Before June 15, 2020	<i>Submit AMCAS!</i> ²	
July 22, 2020	<i>NIH Grad & Professional School Fair (Interviewing Tips for Professional School Workshop)</i>	Bethesda
July to August	<i>Submit Secondary Applications</i>	
August to September	<i>OITE Group Mock Interview</i>	

¹ Although AMCAS submission doesn't require an MCAT score, we strongly recommend taking the MCAT by April 2020.

² The AMCAS should be submitted on or before June 15 to insure timely processing. If an applicant does not have an MCAT score, the AMCAS should be submitted with a few schools listed and then updated with more schools when the score is received.
