OCTOBER 6-8, 2013

NATIONAL INSTITUTES OF HEALTH
BETHESDA, MARYLAND

The Nation's premiere biomedical research institution invites you to explore opportunities at the NIH.

Join graduate students from across the US to

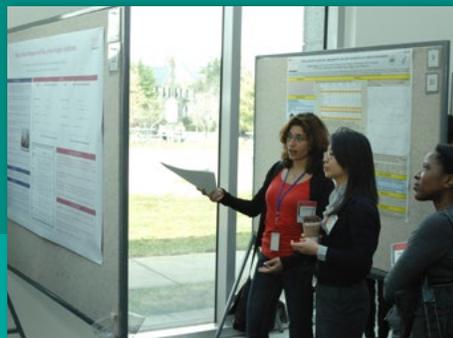

- present your research,
- learn about the latest biomedical breakthroughs,
- experience the NIH Research Festival, and
- explore future training opportunities.

NIH offers top-notch mentoring, a collaborative environment, professional development programming, and the chance to perform research that will change people's lives.

Applications accepted from May 1 to June 15, 2013
